 Hyatt Regency Cologne 2023

Peer Support – Pushing the Boundaries

# Sponsorship Levels

IPPAC attracts delegates and speakers from all over the world, including senior regulators, management from major airlines and union representatives. It is the premier Peer Support conference in global aviation, and so exposure to key players is very high. This makes IPPAC the ideal vehicle to increase the visibility of your brand in the dynamic and fast-moving field of mental health and wellbeing in aviation. Three different sponsorship packages are available.
